

Routes: walking in the footprints of our **h**istory: France, Spain, Italy

We want these “routes” to lead you:

- To a deep experience of Jeanne de Lestonnac, Ignatius of Loyola... and of other persons who have left “their footprints” in the history of the Church.
- To a wider vision of the world and of this moment in time
- To enjoy various cultural experiences and manifestations of humanism.
- To know some of the places where the Company is present and lives out its mission.
- To meet and interact with other sisters from different parts of the world.

Program Dates:

January 5 – 21, 2007

April 8 – 24, 2007

Participants:

This program is planned for our sisters. Each group can consist of about 40 people.

Each province will determine the criteria for the selection of participants and the Provincial, Territorial Delegate or Interprovincial Ambit Delegate will send the number of places to be reserved for each “Route” to the Secretary General during the month of **February, 2006**. With this information in hand, in March the General Team will confirm the places requested. Registration Form follows.
