

# Three places to live an encounter

**BURDEOS 9-12**

*humanism ?*

**B**ecause you are a unique person with a lot of potential and because you like to share and commit yourself....

*If you are between 18 to 30 years old, do not let this opportunity pass you by...*

You have reasons to come to this encounter!

## Why

*spirituality?*

**TAIZÉ 13-15**

**B**ecause you are someone loved by God, called to seek and find Him in your life, and with others construct a better and just world...

*art ?*

**ORVIETO 16-22**

**B**ecause you are young and express yourself in distinct languages that break barriers making communication and the sharing of dreams possible....
